

Present: HON. PETER J. KELLY
SURROGATE

SURROGATE'S COURT: QUEENS COUNTY

-----X
Probate Proceeding, Will of

ROBERT RICHARD MILLER,
Deceased.

File No. 2015-934

-----X

In this probate proceeding, the parties entered into a stipulation of settlement dated the 22nd day of February, 2017, agreeing, among other things, that the instrument purported to be the decedent's Last Will and Testament dated February 5, 2007, be denied probate. The matter was set down for a hearing as to why the instrument should be denied probate (SCPA 1408).

After a hearing, based upon the evidence presented and a review of the instrument offered for probate, the Court is satisfied that the purported will was not duly executed in conformity with the requirements for a will pursuant to EPTL 3-2.1.

The instrument dated February 5, 2007 is denied probate and the petition is settled upon the terms and conditions set forth in the written stipulation.

Letters of Administration shall issue to Karen Miller Lopez upon her duly qualifying.

Settle decree incorporating the terms of the stipulation of settlement.

Dated: April 19, 2017
